

Revenue Operations. Done for You.

Strategy + CRM + Outreach — managed by our RevOps team.

SOC 2 Type II Certified

Stop Guessing. Start Growing.

HelloGrowthCRM's Managed RevOps Service handles your entire revenue stack — CRM setup, pipeline design, outreach sequences, and weekly reporting — so you can focus on closing.

01

Full CRM Setup & Management

We configure your CRM, build your pipeline stages, import your data, set up automations, and maintain it every month. You get a working system, not a project.

Live in 2 weeks

02

Outreach Sequences & Lead Gen

We write and run cold email + LinkedIn sequences, qualify inbound leads, and book discovery calls directly into your calendar.

Booked calls, not leads

03

Weekly Revenue Reporting

Every Friday: pipeline health, conversion rates, outreach performance, and next-week priorities. One dashboard. No spreadsheets.

Full visibility

SERVICE PRICING (USD)

Growth

\$499/mo

CRM setup + outreach + weekly report. Up to 500 contacts/mo outreach.

HOW IT WORKS — 5 STEPS

01 Discovery Call (Week 1)

We map your current sales process, ICP, deal cycle, and goals. 60-min session.

02 CRM Build (Week 1-2)

We configure HelloGrowthCRM, import data, build pipeline stages, and set up automations.

03 Outreach Launch (Week 3)

We write sequences, build the lead list, and launch cold email + LinkedIn campaigns.

04 Calls Start Flowing (Week 4+)

Qualified leads book directly into your calendar. You show up and close.

05 Weekly Reporting (Ongoing)

Every Friday: what worked, what to fix, next week's priorities.

WHO IS THIS FOR?

- B2B service businesses with \$500K-\$10M revenue
- Founders doing sales themselves who want to hand it off
- Sales teams of 1-5 reps without a RevOps hire
- Companies that tried HubSpot but never got it to work
- Businesses entering the US market for the first time
