

## Switch in 48 Hours. Keep Everything.

Your data, pipelines, and automations — migrated free.

SOC 2 Type II Certified

## Pay Less. Get WhatsApp + AI. Switch Today.

Teams switching from Zoho, HubSpot, or Kylas save 40–70% on CRM costs and get built-in WhatsApp, AI calling, and India-first features that their old CRM charged extra for — or didn't offer at all.

**01 Free Data Migration**

We migrate your contacts, deals, pipeline stages, notes, and activity history from Zoho, HubSpot, Freshsales, or Kylas. No data loss. No manual CSV headaches.

Zero data loss guaranteed

**02 WhatsApp + AI Included**

HelloGrowthCRM includes WhatsApp shared inbox, AI calling, AI summaries, and lead scoring at no extra cost. HubSpot and Zoho charge add-on fees for each.

No add-on fees

**03 India-First Support**

India-based support team. India data residency. DPDP compliant. Hindi + English support. Understands IndiaMART, JustDial, and Indian sales workflows.

Designed for India

### HOW MIGRATION WORKS — 5 STEPS

- 01 **Discovery call (Day 1)**  
30-min call: we audit your current CRM, data size, pipeline stages, and automations.
- 02 **Data export (Day 1)**  
We guide you through exporting contacts, deals, and history from your current CRM.
- 03 **Data migration (Day 2)**  
Our team imports everything into HelloGrowthCRM. Pipelines rebuilt. Automations re-created.
- 04 **Team training (Day 2)**  
1-hour live training session for your entire team. Recordings provided.
- 05 **Go live (Day 3)**  
Your team switches over. Old CRM cancelled. HelloGrowthCRM is live.

### WHAT WE MIGRATE

- All contacts & companies
- Deal/opportunity history
- Pipeline stages (custom)
- Tags & custom fields
- Activity notes & calls
- Email templates
- Automation workflows
- User accounts & permissions
- Reports & dashboards
- Integration connections

### OUR MIGRATION GUARANTEE

If we cannot successfully migrate your data or if you are not satisfied in the first 30 days, we will refund your first month in full — no questions asked. We also help you re-export back to your previous CRM if needed.

### TEAMS THAT HAVE SWITCHED

- Real estate teams from Zoho — saving Rs. 40,000/yr per seat
- BPO companies from HubSpot — added WhatsApp + AI calling
- Education institutes from Kylas — free migration + India support
- Logistics companies from spreadsheets — first CRM, full setup
- IT services firms from Freshsales — 60% cost reduction
